In Milan Central Station, Rome Termini, Firenze S.M.N. and Napoli Centrale you can lead to the tracks of departing trains only presenting the ticket to the entrance gate. We invite you to show the barcode square to facilitate and speed up the operations control.

Your ticket will be validated automatically on the scheduled departure of your train. **Have you changed your mind? No problem!** By 11.59 p.m. on the day before your trip, you can change the date and time, and on the day of travel you can change the departure time before the ticket is automatically validated. Once the ticket is validated, it can no longer be modified.

To view the Barcode with travel details or manage your ticket
